

 **want your  
money to last  
longer?** 

Your monthly instalments will be administered by Principal Finance Pty Ltd, an independently owned Australian company.

## IT WILL IF YOU PAY BY THE MONTH

Have you ever noticed how paying for things in instalments can make life easier?

Paying an account a little at a time reduces the strain on your cash flow and frees up your money for more important things.

Whether it is business or personal finances you are managing, budgeting is easier when you take advantage of the flexibility that paying by monthly instalments offers you.

## WHAT ARE THE BENEFITS OF PAY BY THE MONTH?

It makes managing your money easier

It softens the impact of income fluctuations

It offers convenient repayment options using direct debit or credit card

The fixed monthly repayments protect you against interest rate fluctuations

There are no monthly account fees or security costs and it is simple to apply

So, if you want your money to last longer, call your broker today to arrange a monthly payment option for you.
